3. _____
4. _____
5. _____
6. _____

It's possible you may uncover a funder that didn't feel hidden — you already had them on your radar and were intending to reach out. If that's the case, a part of you is telling you that you may have had some resistance to reaching out to them. That's ok — you know it now and can move forward.

Now, write down three ways you'll reach out to each before, during, or even in some cases after your campaign to generate funding and support for your business, project or event.
